

When you are looking for a lighting solution that's just that little bit different, Cascade Freeform can provide the answer. Our lighting designers will work with you to create custom luminaires for any application. Based around Cascade's modular system, you can add different surface colours and finishes, opt for a wide range of diffuser and louvre materials and choose from a wide variety of lamp types including state-of-the-art LED technology. Particularly suitable for use in retail environments, Cascade Freeform offers bespoke solutions in a more accessible way.

Cascade Freeform is particularly suited for lighting:

- Retail Applications
- Receptions
- Boardrooms
- Showrooms
- High Impact Public Areas
