

Euroflood Sport 1kW

1kW asymmetric floodlight for sports pitch and open area applications

Whitecroft
lighting

IK07

IP66

Remote Control Gear

Optics

- 1kW (1000W) HQI-T single ended metal halide lamp with E40 base
- Colour temperature 3350K, colour rendition Ra64
- Asymmetric anodised aluminium reflector with 53 degree peak intensity
- Thermal shock and impact resistant glass
- Integrated cowl for prevention of light spill, zero light pollution when mounted horizontally

Body

- IP66, IK07 rated protection
- Die cast aluminium body with integrated cooling fins
- Silver and graphite grey polyester powder coated finish
- Integrated stirrup bracket with protractor scale for accurate aiming
- Suitable for wall or column mounting using appropriate bracket
- Optional wire guard and glare control louvre
- Floodlight head supplied with integral lamp and ignitor
- Remote mounted control gear (ballast and capacitor) to minimise floodlight weight
- Control gear to be ordered separately using code shown (feeder pillars/enclosures not included)
- Control gear should be located where protected from weather and vandalism
- Total circuit power consumption 1080W
- See also Euroflood Sport 2kW for higher output
- Contact Whitecroft for standard sports lighting designs to BSEN12193, LG4 and Sport England requirements

To Specify

IP66 asymmetric floodlight with die cast aluminium body and integrated cooling fins. Flat glass optics and integrated cowl to prevent light spill and giving zero upward light when mounted horizontally. Remote mounted control gear to be ordered separately to operate 1000W HQI-T lamp. With adjustable bracket for surface mounting - as Whitecroft Lighting EUROFLOOD SPORT 1kW.
