

Whitecroft Recommended Alternatives or Replacement Parts.

1. Alternative or replacements for old Harrier parts are shown below.

The recommended alternative or replacement to the old Harrier code HRHRH34K is H2N15H24K.

The recommended alternative or replacement to the old Harrier code HRHRH44K is H2N18H34K.

The recommended alternative or replacement to the old Harrier code HRHRH54K is to use Flight.

The recommended alternative or replacement to the old Harrier code HRHRH64K is to use Flight.

The recommended alternative or replacement to the old Harrier code HRMH14K is to use Harrier Wide optic.

The recommended alternative or replacement to the old Harrier code HRMH24K is to use Harrier Wide optic.

The recommended alternative or replacement to the old Harrier code HRMH34K is to use Harrier Wide optic.

The recommended alternative or replacement to the old Harrier code HRMH44K is to use Harrier Wide optic.

The recommended alternative or replacement to the old Harrier code HRMH54K is to use Harrier Wide optic.

The recommended alternative or replacement to the old Harrier code HRMH64K is to use Harrier Wide optic.

The recommended alternative or replacement to the old Harrier code HRWH14K is to use Trimpak.

The recommended alternative or replacement to the old Harrier code HRWH24K is H2W15H14K.

The recommended alternative or replacement to the old Harrier code HRWH34K is H2W15H24K.

The recommended alternative or replacement to the old Harrier code HRWH44K is H2W18H34K.

The recommended alternative or replacement to the old Harrier code HRWH54K is to use Flight.

The recommended alternative or replacement to the old Harrier code HRWH64K is to use Flight.

2. Dates Ranges Were Withdrawn.

Broadsword was withdrawn in Feb 2023.

Pathfinder 2 was withdrawn in Feb 2023.

Selene Surface & Selene Suspended was withdrawn in Oct 2022.

Concert S was withdrawn in Aug 2022.

Starline Flex IP67 was withdrawn in May 2022.

Starline Multiflex was withdrawn in May 2022.

Levanter was withdrawn in May 2022.

Levanter 2 was withdrawn in May 2022.

Dusk LED was withdrawn in February 2022.

Centurion L65 was withdrawn in February 2022.

Centurion PP65 LED was withdrawn in February 2022.

Powerbay was withdrawn in Sept 2021.

Coveline was withdrawn in Sept 2021.

Marine LF was withdrawn in Sept 2021.

Sirocco Park was withdrawn in Sept 2021.

Sirocco Flood was withdrawn in Sept 2021.

Spectre Wall was withdrawn in Sept 2021.

Stylus was withdrawn in May 2021.

Florence Elite LED was withdrawn in May 2021.

Nightingale LED was withdrawn in May 2021.

Intral was withdrawn in February 2021.

Tegan Slim was withdrawn in January 2021.

Gyrus was withdrawn in January 2021.

Bayon was withdrawn in January 2021.

Aerial Twin was withdrawn in October 2020.

Aerial Sport was withdrawn in October 2020.

Aerial Sport 2 was withdrawn in October 2020.

Aerial Twin 65 was withdrawn in October 2020.

Aerial LED was withdrawn in October 2020.

Duo 3 Office was withdrawn in October 2020.

Duo 3 Feature was withdrawn in October 2020.

LDR 16 was withdrawn in October 2020.

Cascade LED was withdrawn in October 2020.

Mirage LED was withdrawn in October 2020.

Avenue was withdrawn in August 2020.

Cascade Edge was withdrawn in August 2020.

Lance was withdrawn in August 2020.

Broadwalk Led (Quad) was withdrawn in July 2020.

Cygnus SY was withdrawn in July 2020.

Led Line Recessed was withdrawn in July 2020.

Led Line Surface was withdrawn in July 2020.

Micro Spot 65 was withdrawn in July 2020.

Mini Spot 65 was withdrawn in July 2020.

Selise Led Flood (Medium SEL2 codes) was withdrawn in July 2020.

Sirocco Central was withdrawn in July 2020.

Direct 3 (old 3 circuit track) was withdrawn in February 2020.

Radial Cornice LED was withdrawn in February 2020.

Iceberg LED was withdrawn in February 2020.

Vallus T was withdrawn in February 2020.

Foil Single Optic was withdrawn in February 2020.

Broadwalk L360 was withdrawn in February 2020.

Broadwalk L180 was withdrawn in February 2020.

Mirage Sx Led was withdrawn in February 2020.

Broadwalk RS was withdrawn in February 2020.

Mirage Anti-Ligature was withdrawn in February 2020.

Circo L20/65 was withdrawn in February 2020.

Concert XI was withdrawn in February 2020.

Spectre Sq was withdrawn in February 2020.

Concert Mri was withdrawn in February 2020.

Chord 80 was withdrawn in February 2020.

Mirage attachments was withdrawn in February 2020.

Concert SL (circular downlighter) was withdrawn in February 2020.

3. The recommended alternative or replacement range for the withdrawn ranges.

The recommended alternative or replacement range for the withdrawn Broadsword is Selene 2.

The recommended alternative or replacement range for the withdrawn Pathfinder 2 is None.

The recommended alternative or replacement range for the withdrawn Selene Surface & Selene Suspended is Selene 2.

The recommended alternative or replacement range for the withdrawn Concert S is Mirage 3 C79 / Mirage Wallwasher / LDR 65.

The recommended alternative or replacement range for the withdrawn Starline Flex IP67 is Starline F66.

The recommended alternative or replacement range for the withdrawn Starline Multiflex is Starline F66.

The recommended alternative or replacement range for the withdrawn Levanter is Sirocco Midi.

The recommended alternative or replacement range for the withdrawn Levanter 2 is Sirocco Midi / Maxi.

The recommended alternative or replacement range for the withdrawn Dusk LED is Horizon or Kolo IP65.

The recommended alternative or replacement range for the withdrawn Centurion L65 is Spectre WX or Kolo IP65 Hood.

The recommended alternative or replacement range for the withdrawn Centurion PP65 LED is Spectre WX / WR.

The recommended alternative or replacement range for the withdrawn Powerbay is Flight / Selise Highbay.

The recommended alternative or replacement range for the withdrawn Coveline is Starline Fixed Surface IP40.

The recommended alternative or replacement range for the withdrawn Marine LF is Marine SD.

The recommended alternative or replacement range for the withdrawn Sirocco Park is Sirocco Midi.

The recommended alternative or replacement range for the withdrawn Sirocco Flood is Sirocco Midi / Maxi.

The recommended alternative or replacement range for the withdrawn Spectre Wall is Spectre WX / WR.

The recommended alternative or replacement range for the withdrawn Stylus is Stiletto LED or Trimpak.

The recommended alternative or replacement range for the withdrawn Florence Elite LED is Florence+.

The recommended alternative or replacement range for the withdrawn Nightingale LED is Nightingale M3.

The recommended alternative or replacement range for the withdrawn Intral is Flight.

The recommended alternative or replacement range for the withdrawn Tegan Slim is Tegan 2.

The recommended alternative or replacement range for the withdrawn Gyrus is Minion.

The recommended alternative or replacement range for the withdrawn Bayon is Selene or Rink.

The recommended alternative or replacement range for the withdrawn Aerial Twin is Flight.

The recommended alternative or replacement range for the withdrawn Aerial Sport is Flight Sport.

The recommended alternative or replacement range for the withdrawn Aerial Sport 2 is Flight Sport.

The recommended alternative or replacement range for the withdrawn Aerial Twin 65 is Flight.

The recommended alternative or replacement range for the withdrawn Aerial LED is Flight.

The recommended alternative or replacement range for the withdrawn Duo 3 Office is Duo 3 Evo / Cascade Flex.

The recommended alternative or replacement range for the withdrawn Duo 3 Feature is Duo 3 Evo / Cascade Flex.

The recommended alternative or replacement range for the withdrawn LDR 16 is Concert S / LDR65.

The recommended alternative or replacement range for the withdrawn Cascade LED is Cascade Flex.

The recommended alternative or replacement range for the withdrawn Mirage LED is Mirage 3.

The recommended alternative or replacement range for the withdrawn Avenue is Avenue Metro.

The recommended alternative or replacement range for the withdrawn Cascade Edge is Cascade Flex.

The recommended alternative or replacement range for the withdrawn Lance is Selene Suspended.

The recommended alternative or replacement range for the withdrawn Broadwalk Led (Quad) is No alternative.

The recommended alternative or replacement range for the withdrawn Cygnus SY is Cygnus ST.

The recommended alternative or replacement range for the withdrawn Led Line Recessed is Marine SD.

The recommended alternative or replacement range for the withdrawn Led Line Surface is Floodlight or Starline.

The recommended alternative or replacement range for the withdrawn Micro Spot 65 is Selise Small.

The recommended alternative or replacement range for the withdrawn Mini Spot 65 is Selise Small.

The recommended alternative or replacement range for the withdrawn Selise Led Flood (Medium SEL2 codes) is Euroflood MidiLED.

The recommended alternative or replacement range for the withdrawn Sirocco Central is Sirocco Flood.

The recommended alternative or replacement range for the withdrawn Direct 3 (old 3 circuit track) is Direct D3.

The recommended alternative or replacement range for the withdrawn Radial Cornice LED is None, consider Stylus, Stiletto, Helm.

The recommended alternative or replacement range for the withdrawn Iceberg LED is Mirage LED Surface.

The recommended alternative or replacement range for the withdrawn Vallus T is Vespere Wall.

The recommended alternative or replacement range for the withdrawn Foil Single Optic is Foil SRD or XS-Line.

The recommended alternative or replacement range for the withdrawn Broadwalk L360 is Kolo Bollard.

The recommended alternative or replacement range for the withdrawn Broadwalk L180 is Kolo Bollard.

The recommended alternative or replacement range for the withdrawn Mirage Sx Led is Mirage LED Surface.

The recommended alternative or replacement range for the withdrawn Broadwalk RS is Kolo Bollard.

The recommended alternative or replacement range for the withdrawn Mirage Anti-Ligature is Mirage 3 Anti-Ligature.

The recommended alternative or replacement range for the withdrawn Circo L20/65 is Mirage 3 C165 / IP65.

The recommended alternative or replacement range for the withdrawn Concert XI is Mirage 3 C110.

The recommended alternative or replacement range for the withdrawn Spectre Sq is Mirage 3 SQ165.

The recommended alternative or replacement range for the withdrawn Concert Mri is Mirage 3 C165 MRI.

The recommended alternative or replacement range for the withdrawn Chord 80 is Mirage 3 C79.

The recommended alternative or replacement range for the withdrawn Mirage attachments is Mirage 3 C165 (attachments).

The recommended alternative or replacement range for the withdrawn Concert SL (circular downlighter) is Mirage 3 C79.
